TO WHOM IT MAY CONCERN

This is to certify that Robert Drummond has been in our employ as a first class machinist for 18 months.

He is leaving of his own volition to further his education.

We have found him to be an excellent workman and an honest, sober and upright man.

We will be glad to employ him again at any time.

Very truly yours,

HONOLULU IRON WORKS COMPANY.

By *Geo. C. Kline*,
Superintendent.
