

THE KAMEHAMEHA SCHOOLS
Office of the President.

Mar. 11, 1929

My dear Mr. Drummond:-

I wish to express my sincere appreciation to you for your excellent teaching during the absence of Mr. Wilkins. I feel that we were very fortunate to be able to secure one so well trained as you for this period. Your long experience and your own high craftsmanship, together with the fact that you are interested in teaching and have had training in this line, make you very valuable in a school such as ours. In case of a permanent vacancy we should wish to offer you the position. I hope you can remain with us until it is certain that Mr. Wilkins is able to do the work.

Also, I wish your frank and detailed opinion as to the equipment, outline of courses, experience, etc. that our boys need and receive that make them satisfactory mechanics in our local industries.

Yours very truly,

F. E. Midkiff
